Editorial

The Month of August saw various educational visits and curricular activities happening in the faculty of Homoeopathy.

This month also marked the 1st Death anniversary of our founder President our Beloved Dr J K Patel Sir. The tribute was given by all 4 constituent colleges by organising various activities, like Prayer meets, Blood donation & Medical Camps, Food distribution, visits & donations to various old age homes, Felicitating Teachers from the Faculty for Academic brilliance etc to name a few.

His absence is felt throughout the University and is certainly evident in his own “ Faculty of Homoeopathy”.

Will end the Editorial for this month with a line uttered by Jayesh Sir itself Saying, “ SAFALTA MADE KE NA MADE MEHNAT KARVANU KYAREY CHHODSO NAHIN” Which in English says “Never stop working Hard whether you Succeed or Not”

REVERENCE TO A GREAT THINKER, A GREAT LEADER. We all miss you sir.
