Editorial

Greetings of the Month

As Final year students are gearing up for the End of year Examination Faculty of Homoeopathy wishes them all the very best for success in the exams.

Qualitative measures are implemented with continuous efforts from our faculty to ensure no page remains unturned in overall development of our students, who are the future of the medical system as well as are a mirror reflection of the

efforts put in by the Faculty in the formative years of development of the students.

Holistic development of all the students are taken care of with various activities taking place from time to time and students also reciprocate the same by achieving success in various parameters.
