Accordingly, it is to inform you that all the relevant documents submitted by your college in Part-1 proforma were examined by the Medical Assessment and Rating Board.

3. MARBH has conducted a Physical Inspection on 23/08/2022. As per the report and further observations of Board, Virtual hearing under natural justice before decision, was conducted on 18/10/2022. On careful consideration of the report, the Medical Assessment and Rating Board has arrived at the following conclusion: -

Sl. No.	Deficiencies with the College	Observations of Hearing Committee	Observations of MARBH
i.	IPD/OPD Case: 07 Sample cases submitted from IPD. Same case was referred from OPD to IPD (OPD's of same case is Medicine & Gynecology) with three different prescription and admitted in IPD without proper documentation. Therefore, the treatment and management of cases in hospital is not following homoeopathic principles.	No comments can be given as documents for specific case are not available for verification	Proper documentation of cases in IPD/OPD Case are doubtful .
ii.	OPD register is not maintained. Registers maintained with pencil. Therefore, it raises doubt about genuineness of case management.	Hearing committee is of the opinion that all entries in Medical records should be finalized by pen on the same day. Deficiency persists.	Deficiency persists

iii.	Number of wards as per Inspection Report is 05. Where as in Part -1 information is having 06 wards in IPD department. Hence, needs verification	As per the 8 photograph submitted by the college there are 2 surgical ward (male and female).1 Pediatrics ward 1 Obstetrics ward. Remaining 4 wards have no names. Since 04 wards have no names Deficiency persists	Deficiency persists
iv.	No nurse is available in 43 bedded hospital	College have provided a list of 8 nursing staff with duty roster for the month of August 2022, in which against the name of Miss Sangita ben Apanchal 'no off' is marked for the whole month. Document submitted is not supporting functional duty roster. Deficiency persists.	Deficiency persists
v.	Functionality of OPD & IPD records are doubtful and thus hospital is not properly functional. Hence not fulfill the norms of as per HCC (MSR) of Homoeopathic College and Hospital), 2013 for 100 seats.	As per the online inspection of the Female ward, 05 patients were admitted. As per staff list narrated by the Principal there are 2 cleaning staff for hospital. However, in the staff list there is only one cleaning staff deputed in the hospital . It seems very less man power for the sanitation service of the working hospital having IPD OPD , OT etc. Needs further evidence to substantiate working of hospital	Deficiency persists
vi.	CPF, ESI -Not submitted.	As regards to CPF College have submitted Composite Declaration Form 11 for 85 staff. Further submitted EPF electronic Challan cum return slip from April 2021 to March 2022. Challan showing exempted status. Further, member detail page showing variable No. of members in different months (minimum 9- maximum 12). Therefore, EPF benefit is given to very less number of employees.
