Subject : Permission for Visit of 4th BHMS Students to Institute of Mentally Disabled People

Respected Sir/Madam,

Ahmedabad Homoeopathic Medical College to seek your permission for our 4th BHMS students to visit the Institute of Mentally Disabled People. This visit is an essential part of their training in Community Medicine and will significantly enhance their understanding of mental health challenges, public health issues, and the operations of specialized healthcare facilities. The experience will empower our future healers by providing them with practical insights into mental health management and the importance of community health initiatives.

We propose to visit on **01/10/2024 (Tuesday) at 10:00 AM**. Total 100 students will come with our 2 senior teachers from the college. Our students will arrive in batches of 20-30 and will be accompanied by a senior faculty member.

We would greatly appreciate your favorable consideration of this request. Thank you for your attention to our request. We look forward to your positive response.

For any further inquiry, please contact Dr. Tejal Shah- 9879168289

Subject: Gratitude for Visiting Institute of Mentally Disabled People.

Respected Sir,

We would like to express our heartfelt gratitude to the 4th BHMS students and faculty members of Ahmedabad Homoeopathic Medical College for visiting the Institute of Mentally Disabled People on 01-10-2024.

It was a privilege to host your students as they engaged with our team and learned about mental health and the challenges faced by individuals with disabilities. Their enthusiasm and curiosity made for fruitful discussions, and we hope they found the experience both educational and inspiring.

We believe that their visit will significantly enhance their understanding of the complexities surrounding mental health issues and the vital role that future doctors play in supporting and uplifting the community. Their commitment to learning will prepare them to be compassionate healthcare providers dedicated to making a positive impact in society.

We wish them all the best in their studies and future careers in medicine.

Thank you for your visit
