**World Yoga Day**, officially known as the International Day of Yoga, is celebrated annually on June 21st to raise global awareness about the many benefits of practicing yoga—a holistic discipline that promotes physical, mental, and spiritual well-being. The day was proposed by Indian Prime Minister Narendra Modi and was adopted by the United Nations in 2014, with the first celebration held in 2015. June 21, the summer solstice and the longest day of the year in the Northern Hemisphere, was chosen for its symbolic significance. On this day, people around the world come together to participate in mass yoga sessions, workshops, and events that highlight the importance of yoga in achieving a healthy and balanced lifestyle.

**EVENT CELL**

**Organ Donation Awareness Day** is observed to promote the significance of organ donation and to educate the public about the life-saving impact it can have on those in need of transplants. The day is aimed at spreading awareness about the process, importance, and myths surrounding organ donation, as well as encouraging people to register as organ donors.

Organ donation is the process in which a person's organ(s) are donated to help someone in need. Donated organs can include kidneys, heart, liver, lungs, pancreas, and corneas. In many cases, organ donations save lives or greatly improve the quality of life for individuals suffering from organ failure or serious illnesses.

The day seeks to:

- **Educate the public** on the critical need for organ donations and the impact it has on the lives of recipients.
- **Encourage people to become registered organ donors** and pledge to donate their organs after death, or in some cases, while alive (for example, kidney donation).
- **Dispel myths and misconceptions** about organ donation to reduce hesitation or fear regarding the process.
- **Honor organ donors** and their families for their generosity in saving lives.

### **Glimpses of Event**

**Ganesh Chaturthi**, also known as Vinayaka Chaturthi, is a widely celebrated Hindu festival that marks the birth of Lord Ganesha, the god of wisdom, prosperity, and new beginnings. The festival typically falls in the Hindu month of Bhadrapada (August–September) and lasts for 10 days, beginning on the Chaturthi (4th day) and ending on Anant Chaturdashi.

Devotees install beautifully crafted idols of Lord Ganesha in homes, temples, and public pandals. The celebration involves prayers (aartis), offerings (prasadam), devotional singing, and cultural performances. On the final day, the idols are immersed in water bodies in a ritual known as Visarjan, symbolizing Ganesha's return to Mount Kailash and the cycle of creation and dissolution.

Ganesh Chaturthi not only holds spiritual significance but also serves as a platform for community gathering, artistic expression, and environmental awareness—especially through the growing use of eco-friendly idols and sustainable practices.

**Teachers' Day** is celebrated annually to honour and recognize the contributions of teachers in shaping the lives and future of students. The day is observed to appreciate the hard work, dedication, and influence teachers have on their students' academic, personal, and emotional development.

In India, Teachers' Day is celebrated on September 5th in honour of Dr. Sarvepalli Radhakrishnan, the second President of India and a renowned philosopher and educator. Dr. Radhakrishnan believed that teachers should be

respected and valued, and on his birthday, his students asked to celebrate it as Teachers' Day to recognize his dedication to education.

Globally, Teachers' Day is observed on different dates depending on the country. For instance, UNESCO-designated World Teachers' Day is celebrated on October 5th.

**Global Handwashing Day** is an international awareness campaign celebrated every year on **October 15th**. It was established by the **Global Handwashing Partnership** in **2008** to promote the importance of hand hygiene with soap as a simple, effective, and affordable way to prevent diseases and save lives.

The day emphasizes that handwashing with soap is one of the most critical actions to reduce the spread of infections such as **diarrheal diseases, respiratory infections, and now, COVID-19**. It is especially important in schools, healthcare facilities, and communities with limited access to clean water and sanitation.

Each year, Global Handwashing Day is observed with a specific **theme**, encouraging individuals, schools, governments, and organizations worldwide to organize events, demonstrations, and campaigns that spread awareness about proper handwashing practices.

The campaign promotes long-term behaviour change and aims to create a culture where hand hygiene becomes a regular part of daily life.

**National Girl Child Day** is observed every year on **January 24th** in India. It was initiated by the **Ministry of Women and Child Development** in **2008** with the aim of promoting awareness about the rights of girls and highlighting the inequalities they face in Indian society.

The day emphasizes key issues such as **gender-based discrimination, female foeticide, child marriage, education, nutrition, and health of the girl child**. It also celebrates the achievements of girls and advocates for their empowerment across all sectors of life.

Various programs, campaigns, and awareness drives are conducted across the country on this day, including **rallies, seminars, cultural activities, and workshops** in schools and colleges to foster a supportive and inclusive environment for girls.

National Girl Child Day also complements broader initiatives like **Beti Bachao, Beti Padhao** (Save the Girl Child, Educate the Girl Child), aiming to improve the child sex ratio and promote the education and well-being of girls in India.

### Glimpses of Event

### **About Themed Days Celebration:**

The celebration of themed days is a vibrant and engaging part of college cultural activities, aimed at bringing creativity, inclusivity, and fun into the campus environment. These days allow students to express themselves, celebrate diversity, and strengthen social bonds through dress, performance, and interaction.

#### **1. Traditional Day:**

On this day, students and staff come dressed in ethnic and traditional attire representing the rich cultural heritage of India. It encourages appreciation of diverse traditions and fosters unity in diversity. Cultural performances, folk dances, and ethnic ramp walks often accompany the celebrations.

#### **2. Bollywood Day:**

Bollywood Day brings the glitz and glamour of Indian cinema to campus. Students dress up as iconic film characters or in Bollywood-inspired fashion. The day typically includes movie-themed competitions, dance performances, and mimicry acts, celebrating India's film culture.

#### **3. Retro Day:**

Retro Day is all about revisiting fashion and trends from the past decades—typically the 60s to 90s.

Students don vintage outfits and accessories, and the campus is filled with music, décor, and themes from those eras. It creates a nostalgic atmosphere and encourages students to learn about pop culture from earlier generations.
