Education Field Visit at Water Purification Plant, Nimeta, Vadodara  
arranged by Dept. of Community Medicine

The Teachers of JNHMC (Parul University) always emphasis on practical exposures to the students...

The Dept. of Community Medicine, with leadership of Dr. Zankhana Desai had arranged an Educational Field Visit to Water Purification Plant at Nimeta, Vadodara on 7th September 2017.

I shall, appreciate the enthusiasm of of 4th BHMS students, as all were remained present in the visit...

We are also thankful to the officials of Nimeta Plant for extending their cooperation and explained the practical aspects of Water Purification Process on Large Scale.

Truly, such organised Field Visits provides unforgettable learning experience to the students...

Feeling proud to be associated with PARUL...
