JAWAHARLAL NEHRU HOMOEOPATHIC MEDICAL COLLEGE

(DEPARTMENT OF COMMUNITY MEDICINE)

Report- Visit to Infectious diseases hospital

DATE: 05 Dec. 2018

PLACE: Infectious diseases hospital, Karelibaug

CLASS: Fourth year BHMS

NUMBER OF STUDENTS: 100

**FACULTY MEMBER: Dr. Zankhana Desai (HOD Dept. of
Community Medicine)**

On 5th December 2018 the Fourth year BHMS students of Jawaharlal Nehru Homoeopathic Medical College went to an educational field visit to Infectious disease hospital, at Karelibaug, Vadodara.

Over there the students visited male & female wards, where they saw the patients suffering from various infectious diseases such as viral hepatitis, rabies, chicken pox etc. then the students visited to isolation ward. In this ward the patients suffering from rabies were admitted.

After this visit Dr. Upadhyay (Medical officer) & Dr. Chandrakant (Superintendent) of hospital had an interactive session with the students and they explained about various diseases like enteric fever, rabies, infective hepatitis, chicken pox, cholera etc.

It was an enriching experience to visit the hospital and we would like to thank Dr. Poorav Desai (Principal JNHMC) and other officials of the hospital for giving us this opportunity.

Report prepared by: Miss. Krishna & Miss. Jyoti (Fourth Yr. BHMS student)
