#### REPORT- VISIT TO R.P.PATEL INSTITUTE OF HOMOEOPATHY

On 28th of January, 2019 Fourth year BHMS students of JNHMC have organized an educational field visit to R.P.PATEL INSTITUTE OF HOMOEOPATHY, Vadodra.

Dr. R. P. PATEL is an eminent homoeopath in Vadodra & is a nominee of Padmashree award. He had done a great work in field of homoeopathy. He had cured more than 50,000 cases of cancer including his own. He has published more than 20 books on treatment of cancer. It was a great honor to meet such eminent personality.

Then the students have also visited to the museum of homoeopathy present in institute. Various photographs depicting life history of Dr. Hahnemann & 6 editions of Kent's Repertory were the major attractions of museum. Then we studied the AUTO VISUAL REPERTORY constructed by Dr. R. P. Patel. Dr. Indravadhan Patel, son of Dr. R. P. PATEL had guided us in museum & told the story of Dr. R. P. Patel's journey & struggle. Then there was a lucky draw by Dr. Jawahar Patel & he encouraged the students by presenting them books written by Dr. R. P. Patel. About 100 undergraduate Students of 4th BHMS & 10 Post graduate students along with our

respected faculties Dr. Polly Abraham & Dr. Parimal Parmar had got this opportunity to visit the institute.

We would like to thank our Repertory department & Principal Dr. Poorav Desai for organizing this visit.
