**Date: 13-09-2024**

**Place of Visit: School Health check-up at  
Karmaliapura, Ta. Waghodia, Dist.  
Vadodara**

## School Health Check-Up

### General details:

**Department:** Community Medicine

**Year:** 4<sup>th</sup> BHMS

**Batch:** 2023 - 25

**Date of visit:** - 13-09-2024

**Number of students:** 26/101

**Name of Teacher conducted Visit:** Dr. Zankhana P. Desai

**Name and address:** Primary school, Karmaliyapura, Ta. Waghodia, Dist. Vadodara

### Objective:

The health check-up at Karmaliyapura School aimed to assess students' physical health, identify any health issues, and promote well-being.

### Methodology:

- A team of doctors and students from JNHMC, under the guidance of Dr. Zankhana Desai, H.O.D. and Professor of the Department of Community Medicine, conducted the check-up. The examination included physical exams, vision and hearing tests, dental checks, as well as a review of the students' medical history and nutritional status.
- Educational sessions on hygiene and healthy habits were also provided.

### Findings:

- **Physical Health:** Some students were found to be underweight, and several had skin and dental problems.
- **Nutritional Status:** Many students had poor eating habits, use of unhealthy food items like packaged ready made snacks with limited intake of fruits and vegetables.
- **Hygiene:** Basic hygiene practices were generally followed, but improvements were needed in hand-washing.

### Recommendations:

- Follow-up visits for students with health issues.
- Regular awareness programs on nutrition, hygiene, and mental health.
- Increased physical activities to promote fitness and healthier habits.

### Conclusion:

The health check-up identified key areas for improvement and highlighted the importance of regular health monitoring for students' well-being. Further actions and awareness programs are necessary to ensure the good health of school children.

### GLIMPSE OF VISIT

Educational Field visit to Primary Health Centre, Rushtampura, Ta. Waghodia, Dist. Vadodara

## **OBJECTIVES OF VISIT:**

The primary objective of the educational field visit to the Primary Health Centre (PHC) was to provide students with hands-on exposure to the functioning and services of a rural healthcare facility. The visit aimed to familiarize students with basic healthcare delivery, community health initiatives, preventive care measures, and the role of healthcare workers in promoting public health at the grassroots level.

## **The outcome of the visit:**

- Students better understood the essential healthcare services provided at the PHC, such as maternal and child health, immunization, and treatment of common ailments.
- The students participated in discussions and observed community health programs, such as vaccination drives and health education sessions, which are critical to improving public health in rural areas.
- Students developed a deeper appreciation for the importance of preventive care, including sanitation, hygiene, and early detection of diseases, which are a key focus of PHCs.

**Visit of Budding Future Doctors on 10/12/2024 (Tuesday)**

Dear Sir / Madam,

We thank you for sending 97 BHMS and 07 Staff for acquiring practical knowledge on **December 10, 2024**, at our factory.

We confirm that they were conducted by our experienced staff around all aspects of our factory and were explained in detail various aspects of manufacturing of Homoeopathic medicines by following GMP compliances.

We also confirm that our experienced botanist guided them through our Botanical Garden, showcasing the seasonal medicinal plants we have cultivated and addressing their plant-related inquiries.

A detailed question/answer session with slide show was also conducted by our scientific experts on various aspects of Homoeopathy.

Thanking you once again and we will be looking forward for similar visit next year also.

## VISIT TO Amul Dairy, chocolate plant

### General details:

**Department:** Community Medicine

**Year:** 4<sup>th</sup> BHMS

**Batch:** 2023 - 25

**Date of visit:** - 10-12-2024

**Number of students:** 90/101

**Name of Teacher conducted Visit:** Dr. Zankhana P. Desai

**Name of Teacher Accompanied:** Dr Priyanka Singh

**Name and address:** Amul Dairy, Chocolate Plant.

### GLIMPSES OF VISIT

Amul Dairy

### Chocolate Plant

#### **OBJECTIVES OF THE VISIT:**

The primary objective of the educational field visit to Amul Dairy was to provide students with practical insights into the processes involved in milk pasteurization and chocolate production. The visit aimed to enhance students' understanding of dairy processing techniques such as pasteurization, homogenization, and packaging while also allowing them to explore the chocolate manufacturing process. Furthermore, students were expected to gain knowledge about quality control, food safety measures, and the operational scale of an industrial dairy and chocolate plant.

#### **OUTCOME OF THE VISIT:**

The educational visit to Amul Dairy successfully met its objectives by offering students a real-world perspective on milk pasteurization and chocolate production. Students not only gained insights into the technical aspects of food processing but also became aware of the critical importance of food safety, hygiene, and sustainability practices in an industrial setting.

To,  
The In-charge  
Water Purification Plant  
Parul University,  
Waghodia, Vadodara.

Dear Sir/Madam,

I am writing to express my heartfelt appreciation for allowing our students the opportunity to visit the Water Purification Plant at Parul University on **28th January 2025**. You have provided the facility for an informative educational field visit, which was a tremendous learning experience for all involved.

I would like to extend our gratitude to the staff members **Mr. Mukesh Kumar Ranjan (Estate vigilance officer) and Kamlesh Patel** who were involved in guiding and educating our students throughout the educational field visit. Their patience, expertise, and dedication were evident, making the visit both informative and enjoyable.

Yours Sincerely,
