Report- Expert lecture on Nephrology

DATE: 26 April 2019

TIME: - 2 pm to 4 pm

PLACE: Central Seminar Hall, Admin Building, Parul
University

NUMBER OF FACULTIES: 14

NUMBER OF STUDENTS: 174

ORGANISED BY: Department of Practice of Medicine, Jawaharlal
Nehru Homoeopathic Medical College

On 26th April 2019, an expert lecture of nephrology, on the topic “Urine analysis” was organised for the students of Third year & Fourth year BHMS. The speaker for this lecture was Dr. Hardik Gajera (DM Nephro.)

This seminar was organised in the Central Seminar Hall from 2 pm onwards. More than 150 students of third & fourth year BHMS along with their faculty advisors remained present for this lecture.

Dr. Hardik has discussed about urine analysis in detail. He has explained about the history of urine analysis, importance of timely investigation of urine & how does it helps in coming to diagnosis. He has discussed about different components of physical, chemical & microscopic examination of urine. He has also discussed about common mistakes made by the physicians in their day to day practice regarding advising the investigations.

He has discussed some of the cases treated successfully by him. By the end of his lecture he answered to queries raised by the students. The students have enjoyed the interactive session & found it enlightening. We would like to thank our principal Dr. Poorav Desai for giving them the opportunity to learn from the expert.
