Introduction: Dr. Swapan Paul, a renowned expert in homeopathy, conducted a comprehensive webinar on pharmacovigilance within the field of homeopathic medicine. The session aimed to enhance understanding of the importance of monitoring drug safety and efficacy in homeopathic treatments.

Key Topics Discussed:

Dr. Paul defined pharmacovigilance as the science and activities related to the detection, assessment, understanding, and prevention of adverse effects or any other drug-related problems. He emphasized its critical role in ensuring patient safety and optimizing therapeutic outcomes in homeopathy.

The webinar provided an overview of existing tools and platforms for reporting adverse drug reactions in homeopathy.

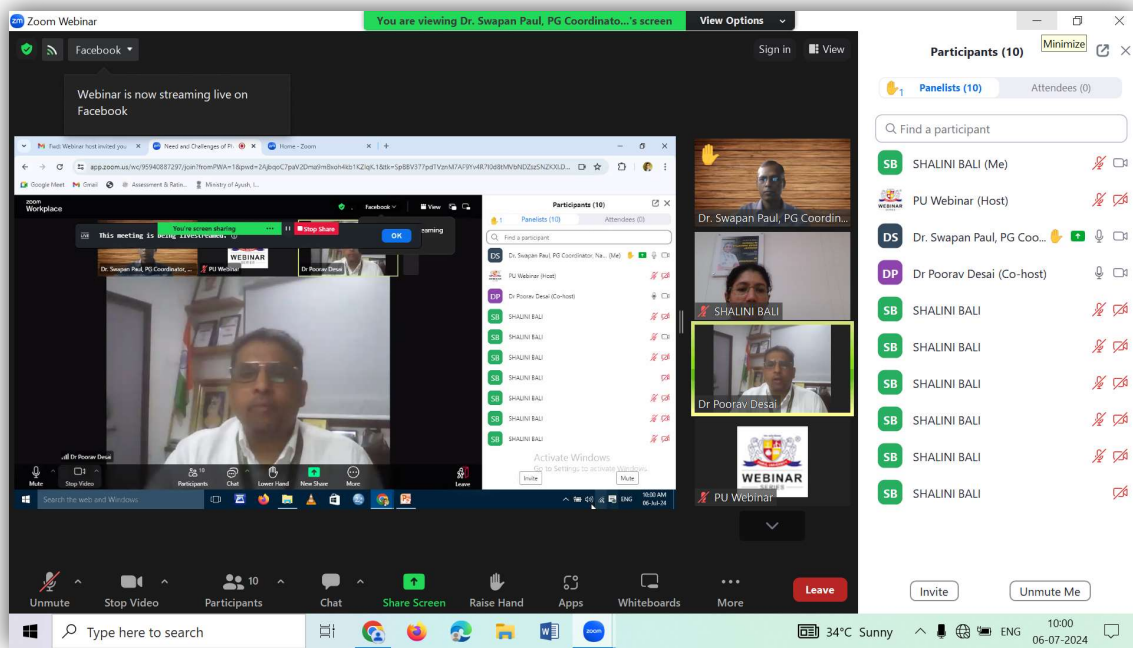

Dr. Paul discussed current regulatory guidelines and recommendations for homeopathic products. He stressed the importance of aligning homeopathic practices with these guidelines to ensure compliance and safeguard patient health.

The session concluded with a look at future directions in pharmacovigilance for homeopathy, including the need for more research, better reporting systems.

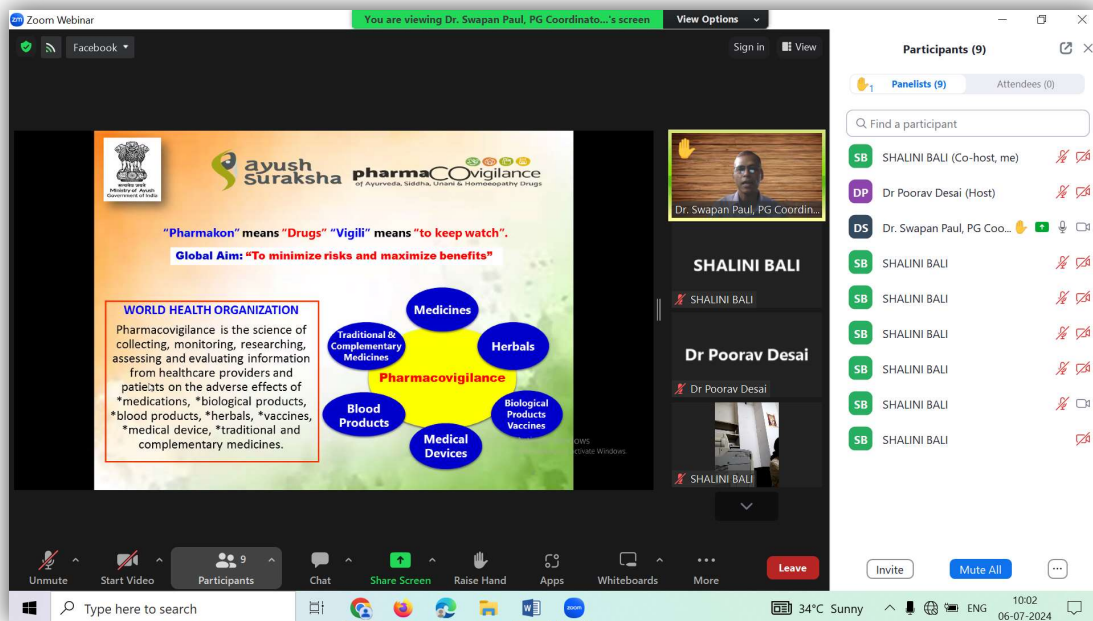

Conclusion: The webinar was an insightful exploration of pharmacovigilance in homeopathy, highlighting both the challenges and opportunities in ensuring drug safety. Attendees gained valuable knowledge on improving reporting practices and understanding the regulatory landscape, which is essential for advancing the field of homeopathic medicine.

of Ayurveda, Siddha, Unani & Homoeopathy Drugs

Pharmacovigilance Activities in India

In India, National Pharmacovigilance Program under the control of **Central Drug Standards Control Organization (CDSCO)** has initiated during **2003**.

All India Institute of Medical Sciences (**AIIMS**), New Delhi started functioning as the National Coordination Centre for monitoring Adverse Drug Reactions (ADRs).

WHO emphasizes that, traditional medicines are to be included into pharmacovigilance system.

Ministry of Ayush has introduced new Central Sector Scheme in the year **2017-18** for promoting **Pharmacovigilance** of Ayurveda, Siddha, Unani and Homoeopathy (ASU & H) Drugs.
