Report- Talk on Nationalism spirit & New Voters motivation among Women

DATE: 01st march 2019

PLACE: Seminar hall 116, PIET building,
Parul University

NUMBER OF STUDENTS: 100

FACULTY MEMBER: All female faculties of Jawaharlal Nehru
Homoeopathic Medical College

On 1st March 2019 (Wednesday) One day talk on “Nationalism spirit & New Voters motivation among Women” was organised at seminar hall 116, PIET building of Parul University.

The talk was organised by Jawaharlal Nehru Homoeopathic Medical College in association with Women Development Cell of Parul University. The Speakers for the function were Dr Jyoti Pandya, Smt. Shraddha Jha and Smt. Darsana Ravji. The guests were felicitated by Dr Komal Patel, Managing Trustee Parul University.

Dr Jyotiben Pandya is a BJP Mahila Pramukh, Gujarat State and was EX Mayor of Vadodara. Her interaction with students was very informative and motivational. She had sensitised the students about importance of voting in general and how their valuable voting can help in the building of our nation. She motivated students to promote Nationalism spirit for glorious future of the nation.

Smt. Shraddha Jha is a motivational speaker and stage artist. She has worked for women empowerment and discouraging activities of social evils. In this concern she conducted talk show in Gujarat with title “Bhabhi bole chhe”. It was a very popular show. Her interaction with students was very friendly. She encouraged the students to utter their views on nationalism and their aspects about the future nation.

She has also informed the students about a Mobile linked website known as “Path Darshak”. It contains information about the various Government schemes for the benefit of People.

The talk was attended by female students along with all female teaching staff of JNHMC. Dr Zankhana Desai Has Co-ordinated this programme. We would like to thank Prof. Ruchi Srivastava (WDC Head), Dr Hitendra Patel (JNHMCH- Deputy Superintendent) and Dr Poorav Desai (JNHMC- Principal) for their support in organising this talk.
