

MD PART - I
SUBJECT: MATERIA MEDICA
SUBJECT CODE: 04201102

NOTE:

- ❖ To study pure effects of Homoeopathic drugs from all the sources. books and to interpret the same
- ❖ Understanding the Science And Philosophy Of Homoeopathic Materia Medica
- ❖ The element involved in the application of Materia Medica, Homoeopathic philosophy, Clinical Medicine, Homoeopathic Repertory and Materia Medica.
- ❖ Study of Materia Medica: Different approaches of study of Materia Medica i.e. psycho clinic, pathological, synthetic, comparative, analytical and remedy relationship.

- 1) Definition of Materia Medica & Homoeopathic Materia Medica.
- 2) Study of Sources of Materia Medica
- 3) Hahnemannian Methodology of Drug proving; collection of symptoms and classification of symptoms.
- 4) Drug Proving in detail with Modern protocol followed by CCRH.
- 5) Scope & Limitations of Materia Medica
- 6) Evolution of Materia Medica
- 7) Types of Materia Medica
- 8) Study of Materia Medica – different approaches
- 9) Biochemic system of medicine its principles, limitation & scope.
- 10) Study Of Materia Medica Source Books, Plan & Construction

Evolution, Limitation & Scope Of:

- MMP * CD

- 11) Group Symptoms: Mineral kingdoms e.g. Acids, Kali, Natrumetc.
- 12) Study in detail following medicines...
