ACTIVITY TYPE	WORLD TB DAY – Awareness Program		
DATE	24.03.2024	Duration	2 HOUR
YEAR/CLASS	4th BHMS	No. of Participants	11
RESOURCE PERSON	Dr. Pranali Mistry		
DESIGNATION	Asso. Professor, Dept. of Community Medicine, Parul Institute of Homoeopathy & Research		
CONTACT DETAILS	Ph.- 7600360741; pranali.mistry24800@paruluniversity.ac.in		

Details about the activity: Each year we commemorate World TB Day to raise public awareness about the devastating health, social and economic consequences of tuberculosis (TB) and to step up efforts to end the global TB epidemic. 24 March commemorates the day in 1882 when Dr Robert Koch astounded the scientific community by announcing to a small group of scientists at the University of Berlin's Institute of Hygiene that he had discovered the cause of tuberculosis, the TB bacillus. The students of 4th BHMS performed skit for TB awareness under the guidance of Dr. Pranali and Dr. Ranjita of Dept. of Community Medicine in Primary School of Junarampura village.

Outcome/Feedback

Students and parents were made aware about TB – its cause, symptoms, preventive measures and stigma.
