DESIGNATION	Asso. Professor, Dept. of Community Medicine,		
CONTACT DETAILS	Ph.- 7600360741 Pranali.mistry24800@ paruluniversity.ac.in		

Details about the activity: WORLD MILK DAY is observed every year on 1st JUNE. This year's theme focuses on dairy (milk and other milk products) and its role in giving people the nutrients they need to stay healthy. The idea is to highlight how dairy contributes to a balanced diet and helps nourish people around the globe. Awareness session was organized by Dept. Of Community Medicine Principal Dr. B P Panda, Dr. Pranali Mistry, Dr.Ranjita Gupta. It was attended by the students of 4th and 3rd year of faculties of PIHR

Outcome/Feedback

It raised awareness about the following points

1. **Nutrition:** Milk provides essential nutrients needed for healthy bones and teeth. It is essential for children and older adults.
2. **Economic Importance:** The dairy industry is a vital part of the economy in many countries. It provides jobs and livelihoods for millions of people, from farmers to those involved in processing and distribution.
3. **Cultural Value:** In many cultures, milk and dairy products are important to traditional diets and cuisine.
4. **Sustainability:** There is a growing focus on sustainable dairy farming practices. These practices aim to reduce the environmental impact of milk production while ensuring animal welfare.
