**Activity Details:** Department of ANATOMY had arranged a symposium as part of the curricular activity on Friday, 07.10.2022. The event was successfully conducted by Dr. Bhakti Pathak (HOD) & Assistant professor Dr. Truptida Sahu. There were 13 students who had participated in the symposium. The students presented their presentation through PPTs, videos & diagrams. After the competition was over, the honorable judges Dr. Amol Pathak & Dr. Anit Acharya, declared the winners of the symposium. First prize went to Shreya Patel, second prize went to Hussain Madhvaswala, and the third prize went to Bhavika Maheshwari.

### **Details about the activity:**

#### **Outcome/Feedback:**

There was a very positive response from all the students who attended the symposium enthusiastically. It was one of the good way to learn practical aspect of the subject. The complex topics of Anatomy was made very easy and comprehensible through the presentations by the students. Complete understanding of different topics of pathology was beneficial for the students. Students participated actively and enthusiastically. It was an interactive session.
