#### Details about the activity:

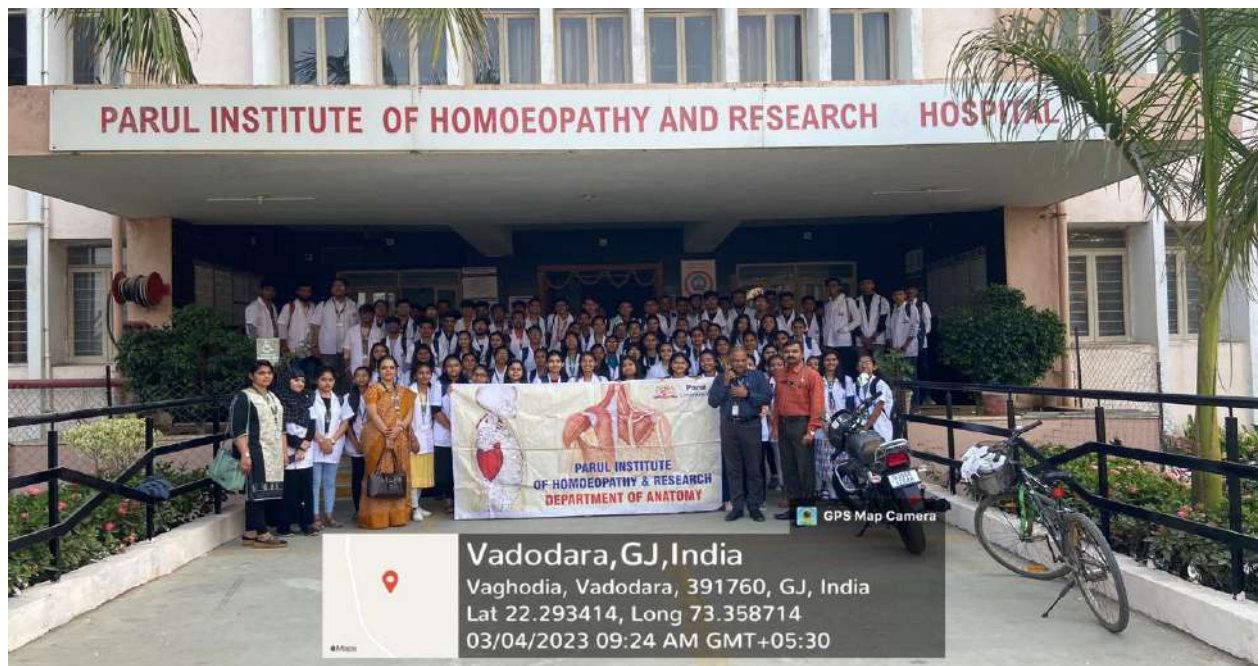

As a part of academic activity a tour was organized by Parul Institute of Homoeopathy and Research for the first year students in Parul Institute of Medical Science and Research on 4<sup>TH</sup> March 2023. The students on that day were in a joyous mood and enthusiastic manner as they were going to visit the Medical College for the first time. We reached the Medical College sharp at 9 am. The Medical College whole heartedly welcomed us; Dr. Jagdish soni & Dr. Dinesh Chaudhary was our guide that day as they were going to show us the Dissection Hall, Anatomy Museum, Histo-Pathology Lab.

#### Outcome/Feedback

The purpose of visit was, students can enhance knowledge of Anatomy in practical aspect. Students visited dissection hall, museum & histology lab. They get the exposure of different foetal bones. The students see the mummified body for the first time in their life.

There was huge collection of different specimen in the museum.
