Details about the activity: Department of Organon of Medicine & Homoeopathic Philosophy had arranged a Seminar as a part of curricular activity on Tuesday, 18th April 2023. The event was successfully conducted by Dr. Vibhuti Pathak. All the students had attended the event. It was organized to enhance their skill and knowledge.

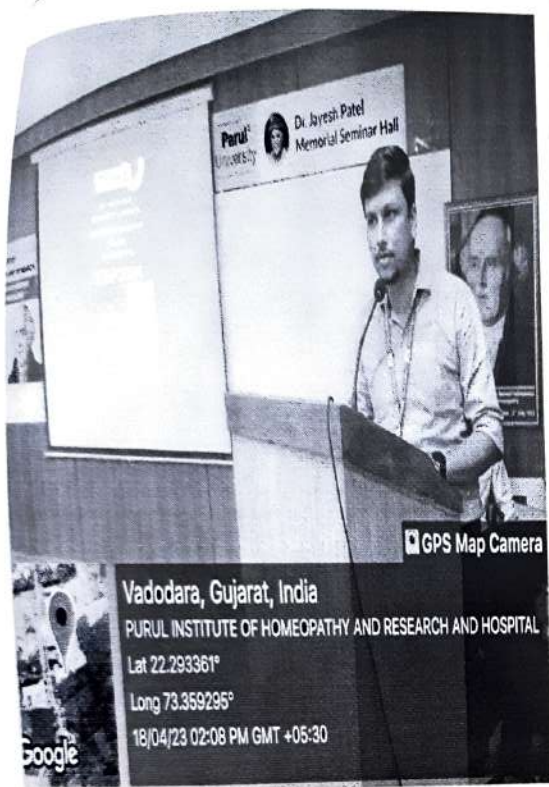

Outcome/Feedback: There was a very positive response from all students who attended enthusiastically in the Seminar. It was one of the good way to learn practical aspect of subject. The complex topic of Organon was made very easy and comprehensible present by the students. Complete understanding of different topics of organon was beneficial for the students. Students participated actively and enthusiastically, interactive with other students also. More interesting activities in future have been planned such types of co-curricular activities.

Details about the activity: As a regular co-curricular activity World Blood Donors Day Seminar was organized by the Department of Practice of medicine, PIHR for students of 1st year and 2nd year BHMS of PIHR on the date 14/06/2023.

The event was started with welcoming of all the dignitaries, faculties and students of 1st year and 2nd year BHMS of PIHR. After welcoming of dignitaries by Dr. Swapnil Naik, HOD of Department of Practice of Medicine, speech on occasion was given by Dr. B. P. Panda sir, Principal of PIHR. The information about various concepts about Blood Donation were given by 4th year students, Fahim, Khushibehen, Khushikumari, Chaitali and Wasim. The event was well coordinated by Dr. Amol Pathak, and Dr. Jayshree Rathva. Second year students, Parth and Abhishek had participated in blood donation drive arranged by Parul Sevashram Hospital.

Outcome/Feedback

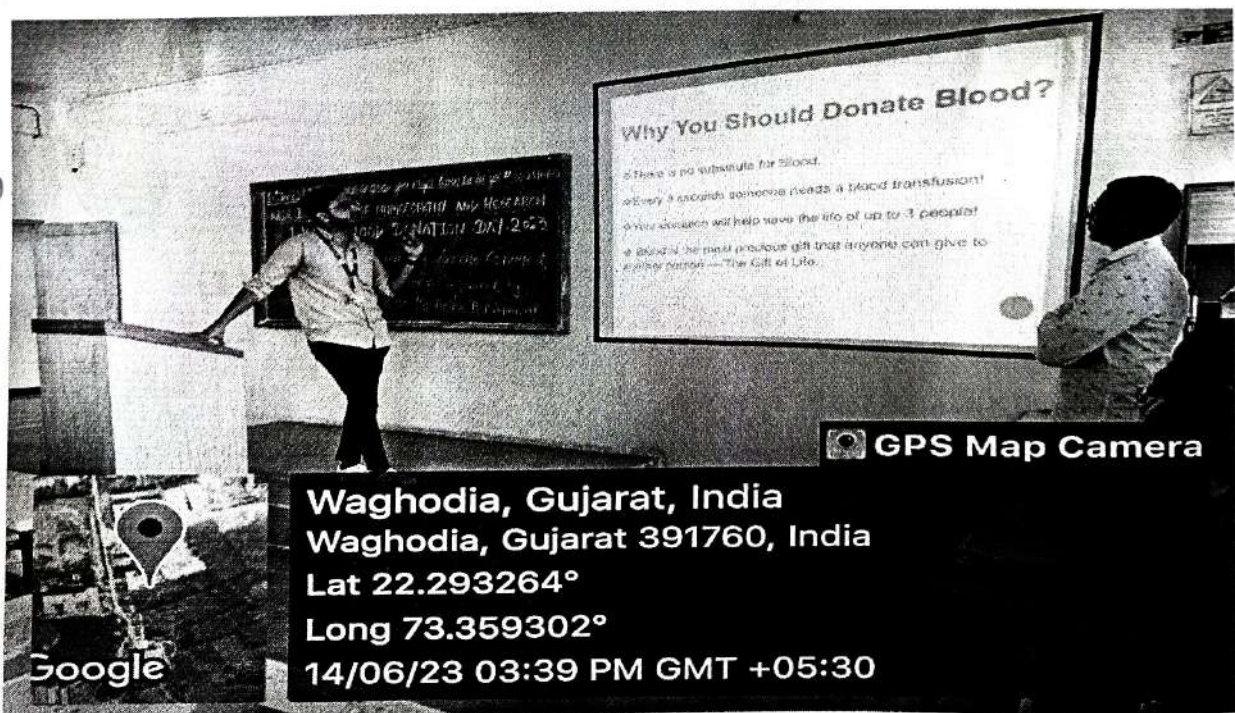

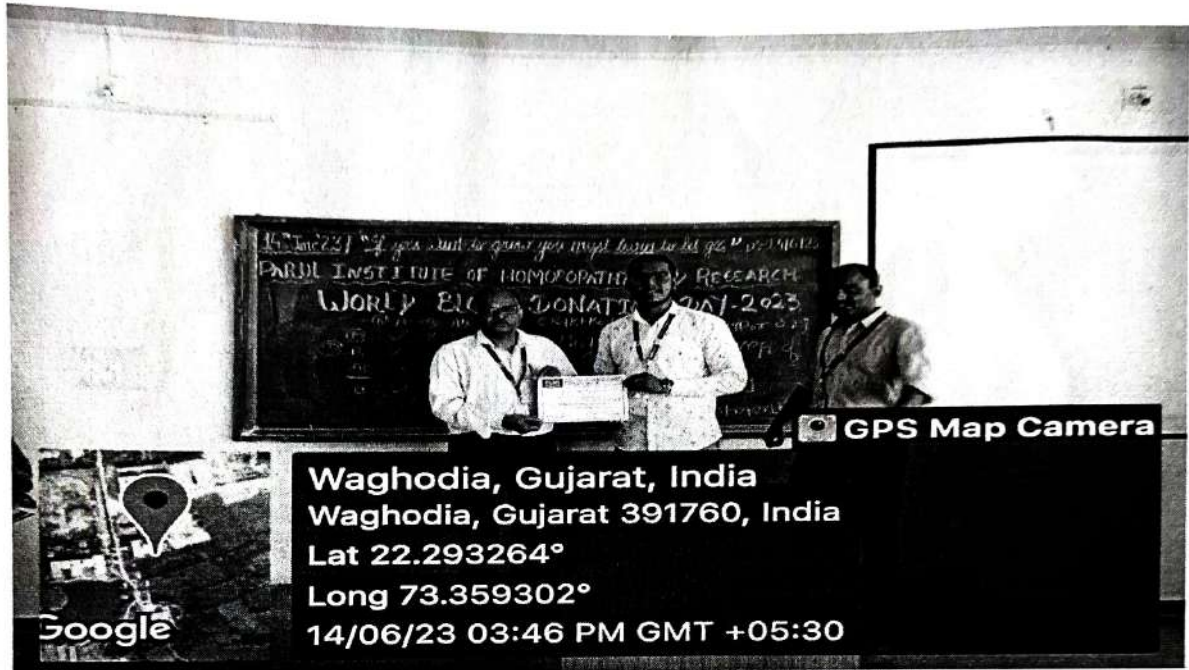

The events like Word Blood Donors Day enhance the understanding of subject and improve the knowledge and awareness about blood donation and its need in the patients to avoid the loss of life at various stages of disease. It enhances the knowledge about the subject in the students. All students participated very enthusiastically and worked very hard to prepare the seminar, which was clearly shown in their presentation.

By this activity patients got to understand the topic with more clarity.
