FACULTY CONTACT DETAILS	9904204848		
SPONSORING AUTHORITY	-NA-	Sponsorship amount:	-NA-

**Activity Details:**

**Details about the activity:**

**Visit of HPL:**

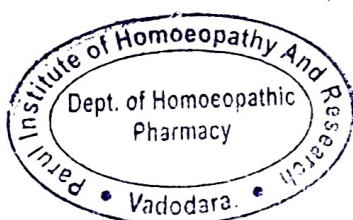

As part of curriculum, students of 1<sup>st</sup> BHMS with 6 mentor visited HPL which is now PCIMH on 17/09/2024 at 2 pm. HPL is the Homoeopathic Pharmacopoeia Laboratory which was established in year 1975 under the ministry of Health & Family Welfare, Gov. of India. The main function of H.P.L is to set standard and testing of homoeopathic medicines at national level. Student learnt about pharmacognosy aspect of plant, how to prepared herbarium and new homoeopathic medicine and their preparation. Student also learnt about laboratory process like HPTLC and distillation. Student understood the process of standardization & quality control like FTIR and UV visible spectrophotscopy.

**Visit of Bhargava Phyto lab:**

As part of curriculum, students of 1<sup>st</sup> BHMS with 6 mentor visited Bhargava Phyto Lab on 18/09/2024 at 10 am. Bhargava Phyto Lab is the world's oldest, largest & trusted manufacturers of homoeopathic medicines. Students learnt about preparaton of mother tincture by percolation and maceration, preservation of potentised medicine, method of standerdization and process of quality control of raw and potentised medicine, electrical potentiser and triturator with packing and labelling of homoeopathic medicine.

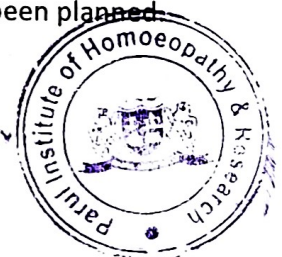

**Outcome/Feedback:**

It was great experience for all the students which make their understanding more clear regarding practical aspect of pharmacy. Student learnt about preparation of homoeopathic medicine on large scale. One of the good way to learn practical aspect of pharmacy subject. All the students were attentive throughout the visit. Student knowledge multiplied abundantly. More interesting activities in future have been planned.
