Details about the activity: Dept. of Community Medicine had conducted educational field visit to **PRIMARY HEALTH CENTER, WAGHODIYA**. Students of 4th year BHMS had visited the plant under the guidance of Dr. Pranali Mistry HOD, Asso. Professor & Dr. Ranjita Gupta, Asst. Prof. Dept. of Community Medicine with help of faculties, Dr. Vandana Patel & Dr. Sujeet Lal. Visited the OPD, IPD – male, female, open ward for outstate, aggressive and on trial patients, ECT room, occupational therapy and a recently inaugurated recreational/rehabilitation center.

Outcome/Feedback

Students got practical knowledge about how mental hospital functions, social workers and medical professionals attend the patients. By this visit, the students became familiar with the extent of mental diseases in the population and the types of mental illnesses prevalent in the society. Interaction with the patients gave them the insight about the cause, treatment and rehabilitative measures of mental illnesses as well as the importance of positive approach to life, a healthy lifestyle and the factors affecting mental health.
