Details about the activity: Dept. of Community Medicine had conducted educational field visit to **SEWAGE TREATMENT PLANT, VMC**. Students of 4th year BHMS had visited the plant under the guidance of Dr. Pranali Mistry HOD, Asso. Professor & Dr. Ranjita Gupta, Asst. Prof. Dept. of Community Medicine with help of faculties, Dr. Vandana Patel & Dr. Swapnil Naik. Methods of collection of sewage, storage, filtration, sedimentation, disinfection and disposal were discussed and shown.

Outcome/Feedback

Students got practical knowledge about how sewage is collected, treated and how it is disposed in different ways. By this visit students became familiar with industrial environment and got knowledge of different units of sewage treatment plant. They also got the knowledge about detailed process of filtration, sedimentation and sludge activation. More such visits will be arranged in future for the benefit of students.
