**Details about the activity:** Dept. of Community Medicine had conducted educational field visit to **Dodka Intakewell & Dodka WTP, VMC**. Students of 4<sup>th</sup> year BHMS had visited the plant under the guidance of Dr. Ranjita Gupta, Asst. Prof. Dept. of Community Medicine with help of faculties, Dr. Vandana Patel, Dr. Alpesh Jayswal, Dr. MA Mhaishale & Dr. Swapnil Naik. Methods of collection of raw water, storage, filtration, disinfection and distribution to general population were discussed and shown.

#### Outcome/Feedback

Students got practical knowledge about how raw water is collected, treated and how it is distributed in different places. By this visit students became familiar with industrial environment and got knowledge of different units of water treatment plant. They also got the knowledge about detailed process of filtration. More such visits will be arranged in future for the benefit of students.
