About the University

A state of the art campus, situated in Gujarat's cultural capital, Vadodara. From the date of its inception in 1993, to the point of its recognition as Parul University in the year 2015, the University has grown into one of India's leading academic Institutions. Parul University is an embodiment of the essence of cultural heritage and diversity with a blend of 21st century modernity. The University is an amalgamation of 20 faculties and 36 institutes, with a plethora of diploma, undergraduate and post graduate programs in numerous disciplines. Offering a range of over 450 uniquely structured programs, designed to suit the career prospects of every student aspirant. The 150-acre lush green campus is home to over 28,000 national and international students from 56 countries, making Parul University a culturally global destination. As a mark of excellence, the University has been awarded as Best Private University in Western India by Praxis Media, Best University in Placements by ASSOCHAM and ranked among the Top 50 Private Universities for Leading Innovation Achievements 2020 by ARIIA, Ministry of Human Resource Development. Our Multidisciplinary network of expertt faculties, corporate ties, collaborative research and global par internships provide our students with an enriching University experience, uniquely shaping every student, to shape the world.

Message from the Principal

Dr. Bibhu Prasad panda
Principal, Parul Institute of Homoeopathy & Research
Parul University

Homoeopathy is an emerging branch of treatment in India. The homoeopathic colleges of Parul University work with the integrating approach to achieve excellence at par. All the Institutes are having highly qualified teachers, with fully ventilated classrooms with LCD mountings. All the colleges have their full-fledged functioning Laboratories and department as per the CCH norms.

Clinical teaching is the vital part of all the medical colleges. Each colleges of our university are having full flagged Homoeopathic Hospital as per the CCH Norms, with all basic amenities like, Radiology, Pathology and all specialty OPDs. We have the MOU with multi-specialty Hospital to provide all modern medical techniques and aids to our students. We cater the health needs of the society by organizing regular Homoeopathic Camps, running mobile dispensaries at surrounding villages and also participate in National programmers like Pulse polio, Universal immunization, and Family welfare activities.

We provides excellent opportunities and learning environment to cherish good qualities that makes easier for the students to acquire good skills, abilities and attitudes to excel in diverse area of the personal and professional progress. In a short span of time, we have grown impressively in both size and reputation and become the preferred choice for many among all other self-financing institutes.

I hear by welcome you all to one of the Premium University of India,

About the Institution

Homoeopathy is a system of medicine invented by Dr. Samuel Hahnemann (Germany) in 1796. It is based on the doctrine of “Similia similibus curenture” which means “Like cures like” Homoeopathy is an emerging branch of medicine in India and millions of patients are choosing homoeopathic medicines as preferred choice of medication. In India numbers of institutes are providing quality education in homoeopathy including bachelor’s degree, post graduate degree & even doctorates in homoeopathy. In Gujarat state at present more than 30 colleges are catering to homoeopathic education. Amongst all these colleges Parul Institute of Homoeopathy and Research is one of the top three colleges in Vadodara district and has become the preferred choice of students all over Gujarat state. The College was established in 2017 and is recognized by Central Council of Homoeopathy, New Delhi it is the constituent college of Parul University since Academic Year 2017-18. The college feels overwhelmed to announce that their hospital is now accredited by “National Accreditation board for Hospitals (NABH)” in the academic year 2018-19. The College offers UG Programme in Homoeopathy (Direct BHMS Course) with intake of 100 seats.

The college is having fully functional 49 bedded Homoeopathic Hospital with all basic amenities like, Radiology, Pathology and all specialty OPDs. The College is having MOU with Parul Sevashram Hospital, which is within the Campus. The Parul Sevashram Hospital is fully functioning 750 bedded hospital with all modern amenities like, ICU, 24 Hours Casualty, Major and Minor Surgical OTs, Labor Rooms, Dialysis Unit, CT Scan Facilities etc. We cater to the health needs of the society by organizing regular homoeopathic camps at remote places and with transport of mobile dispensary everyday in the surrounding villages. The hospital also participates in national health programmers like pulse polio, universal immunization, and family welfare activities. The college also conducts various, sport, adventure, cultural and social- service activities for the enhancement of student’s knowledge.

About the Institution

The College is having properly ventilated departments, classrooms, laboratories with all essential amenities as recommended by the Central Council of Homoeopathy New Delhi with modern amenities like ICT tools: Computers with Wi-Fi enabled departments & classrooms, audio visual aids like speakers & projectors, well equipped laboratories etc. to name a few.

About the Institution
