Details about the activity: Department of Organon of Medicine & Homoeopathic Philosophy had arranged a Seminar as a part of curricular activity on Tuesday, 18th April 2023. The event was successfully conducted by Dr. Vibhuti Pathak. All the students had attended the event. It was organized to enhance their skill and knowledge.

Outcome/Feedback: There was a very positive response from all students who attended enthusiastically in the Seminar. It was one of the good way to learn practical aspect of subject. The complex topic of Organon was made very easy and comprehensible present by the students. Complete understanding of different topics of organon was beneficial for the students. Students participated actively and enthusiastically, interactive with other students also. More interesting activities in future have been planned such types of co-curricular activities.
