

Report of Visit to cancer hospital, Rajkot, on dated 18-11-17

It has been a great privilege for the III B.H.M.S. students along with the departmental faculty to have Visit to cancer hospital, Rajkot. Kothari cancer hospital and Parekh cancer research institute is very good hospital regarding different carcinogenic complaints. It has different treatment units like chemotherapy unit, pathology unit, radiology unit, etc. There were good opportunity for the students to learn different surgical methods regarding Cancer.
