Note :

## EXPERT SPEAKER GIVING UNDERSTANDING ABOUT THALASSEMIA

The speaker started her presentation and shared her own knowledge about the Thalassemia. She introduced the concept of thalassemia and shared facts about it. Then she introduced thalassemia major and minor child life and future. Furthermore, she present several cases of thalassemia which are handle with blood transfusion by blood bank with the help of single donor with less consequences of antigen antibody reaction. Speaker also cleared doubts of students and explained how to stop birth of thalassemia major child.
