Subject: Proposal regarding organizing a Seminar for PG Scholars

Respected sir,

As per academic calendar we are seeking your kind permission to organize a seminar for PG Scholars.

PROPOSED DETAILS OF SEMINAR

Date and day: 11 September 2023, Monday

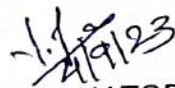

Time: 09.00 AM onwards

Venue: Central Auditorium

Topic: Evidence Based Case Study in Homoeopathy

Kindly do the needful.

Sincerely yours,

PG CO-ORDINATOR
Rajkot Homeopathic Medical College
Rajkot

PRINCIPAL
RAJKOT HOMOEOPATHIC MEDICAL COLLEGE
RAJKOT.

For information:

1. Director, RHMC
2. Academic In charge
3. Co-Curricular In charge

NOTICE

04 September 2023

All the PG Scholars are here by informed that RHMC has organized a **Seminar** on “**Evidence Based Study in Homoeopathy**”.

Your presence in this program is mandatory and any absence without prior information shall attract the disciplinary actions.

Seminar Report: "Evidence-Based Case Study in Homoeopathy"

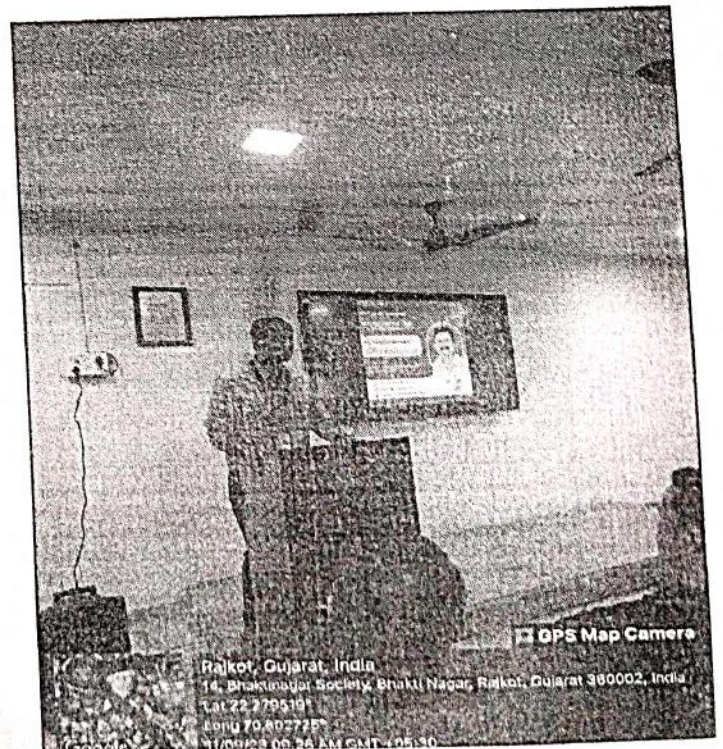

Date: September 11, 2023

Location: Rajkot Homoeopathic Medical College

Introduction:

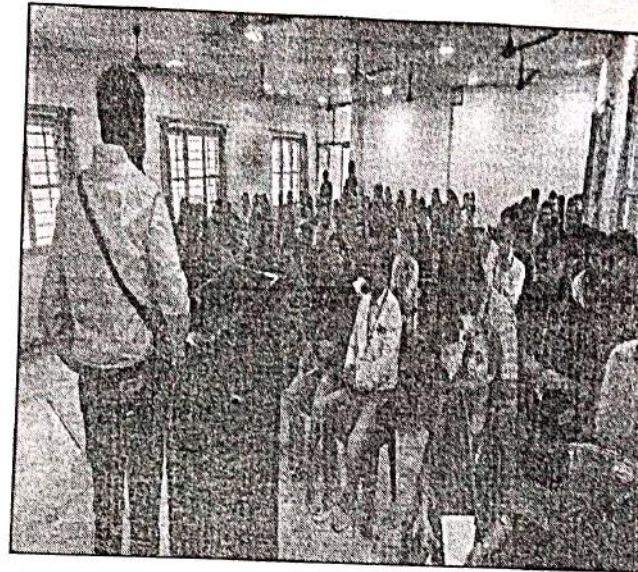

On September 11, 2023, a seminar titled "Evidence-Based Case Study in Homoeopathy" was organized at Rajkot Homoeopathic Medical College. The seminar aimed to shed light on the importance of evidence-based practices in the field of Homoeopathy, featuring Dr. Pranav Pathak as the guest speaker.

Dr. Vani Oza, Head of the Department of Materia Medica PG, commenced the seminar with a warm welcome address. She emphasized the significance of evidence-based approaches in the practice of Homoeopathy and highlighted the role of case studies in advancing the field.

Speaker Presentation:

Dr. Pranav Pathak, the guest speaker, delivered an insightful presentation on the topic of evidence-based case studies in Homoeopathy. He discussed the following key points:

The evolution of evidence-based medicine in Homoeopathy.

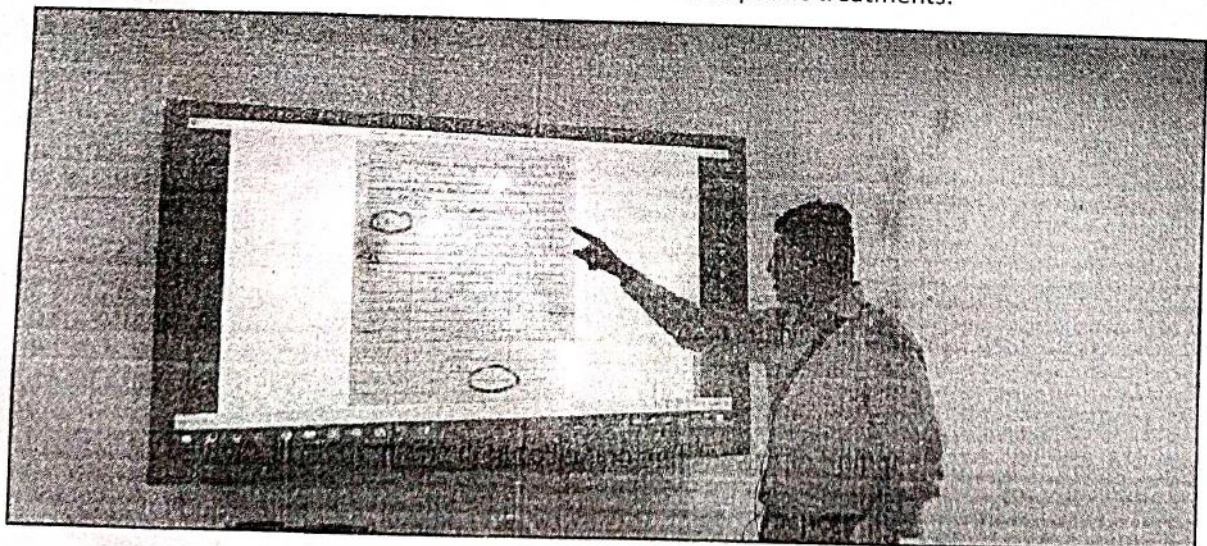

The importance of using rigorous research methods and data analysis in case studies.

Practical examples of successful evidence-based case studies.

The role of technology in modernizing data collection and analysis in Homoeopathy.

Challenges and opportunities in implementing evidence-based practices in clinical settings.

Dr. Pathak's presentation provided attendees with a comprehensive understanding of how evidence-based approaches can enhance the effectiveness of Homoeopathic treatments.

We had seen the number of evidence-based cases of acute and chronic diseases. Firstly, started with an auto immune connective tissue disease known as PEMPHIGUS VULGARIS patient with the age of 45 years female was prescribed with ANTHRACINUM 200C BD for 5 days along with CALENDULA 30 QDS for 5 days and has been wonderfully recovered within 3 months.

Another case was an ULCERATIVE COLITIS with an amazing mental picture of patient, Dr Phatak sir has described very well about the prescription of AURUM MET medicine. Another wonderful case was of MIGRAINE with typical aura of headache in the past 17-18 years with significant mental symptoms with the prescription of LACHESIS 1M remedies.

Some other case was of ADHD of 21 years old male prescribed with CALCAREA PHOS 1M. He also showed cured cases of CHRONIC ASTHMA, CA LUNG, WARTS, OLIGOSPERMIA. Fully treated evidence-based cases were described.

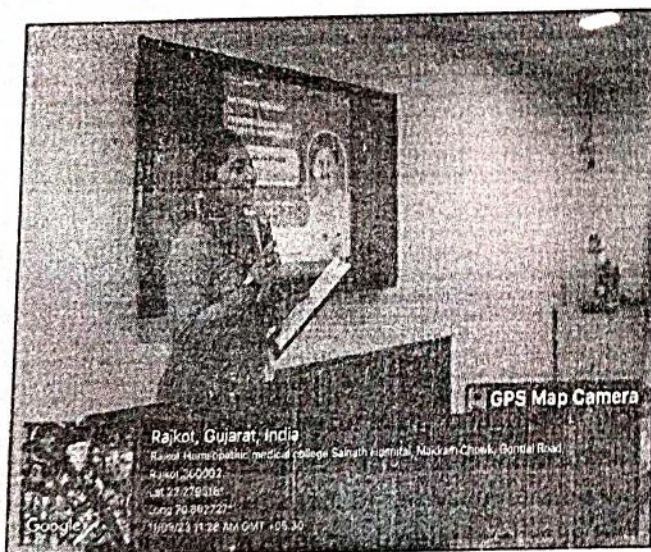

In his next session he shared his experiences during covid scenario, post covid consequences like dyspnea, insomnia, anosmia, hyperglycemia, mental illness, mucormycotic etc.

He shared his own protocol during covid time with easy selection of medicines, by quick prescribing with keynote symptoms. How to handle patients with hypoxia, lung fibrosis or pneumonia with different aspects as y medicine which has power to increase oxygen caring capacity or by medicines which repairs the lung.

Sir had explained many rare remedies like AEGLE FOLIA, EI SERUM, EUCALYPTUS GLOBULUS, YERBA SATNA, etc. It was very informative for all the students for academic and clinical both the purposes. Then sir had ended his session.

Vote of Thanks:

Dr. Urmila, Assistant Professor in the Department of Practice of Medicine PG, delivered the vote of thanks. She expressed gratitude to Dr. Pranav Pathak for his valuable insights and to all the attendees for their active participation. Dr. Urmila reiterated the commitment of Rajkot Homoeopathic Medical College to promoting evidence-based practices in Homoeopathy and encouraged continued learning and research in the field.

Conclusion:

The seminar on "Evidence-Based Case Study in Homoeopathy" by Dr. Pranav Pathak at Rajkot Homoeopathic Medical College provided attendees with a deeper understanding of the importance of evidence-based practices in Homoeopathy. The event was a success, and it underscored the college's commitment to promoting research and evidence-based approaches in the field of Homoeopathy.
