PRAYER

The expert talk commenced with the Prayer, sung by 4th BHMS students along with Lamp Lighting to our Father of Homoeopathy, Dr. Samuel Hahnemann by Principal, Dr. Hitarth Mehta, Dr. Anup Kumar Das HOD, Community Medicine and other dignitaries.

LAMP LIGHTING

Our program was started with brief idea about the topic of expert talk by our Anchors, about Tuberculosis and exploring possibilities. Then our Principal, Dr. Hitarth Mehta enlightened us with knowledge about tuberculosis and it's

spread . Then,Dr.Himani Sharma Assistant Professor, Community Medicine welcomed and introduced the speaker to all.

ANCHORING

our principal sir giving welcome speech and introducing tuberculosis to us

WELCOME SPEECH : BY DR. HUMANI SHARMA

The speaker started presentation and shared his knowledge about tuberculosis. He discussed about causes ,clinical features, diagnosis, prevention and modern medicine to treat tuberculosis. Further he explained several types of tuberculosis like pulmonary tuberculosis , millary tuberculosis , cervical tuberculosis etc.

Felicitation was given after ending the session with memento and certificate to the speaker by our principal and faculties.

Presentation ended with Vote of Thanks by LR CR of 4th BHMS

Our institute always acknowledge us with arranging such a wonderful event which always guides us in our professional career, which is very fruitful.

The event was concluded with National Anthem.
