INTRODUCTION TO THE SESSION

PROGRAM

"Be Here, Be Vibrant".

Parul University with the aim of giving "Steering ourselves in the direction towards success". With this motto, University continuously advances themselves with new technologies to reach out to students and enhance their knowledge. So, they started a series of Instagram live sessions to motivate and give experiences

to the students not only belonging to the University, but also gave opportunity to the other students all over the world.

Thus, various motivational, practical experiences, educational Instagram live sessions were started by the University to give some productive knowledge to the students, even in the branch of Homoeopathy. One of such session was organized on the topic of **“ROLE OF HOMEOPATHY IN NATIONAL DEWORMING DAY CAMPAIGN”**.
