

Report of visit to kidney hospital, Rajkot, on dated 01,02,03-10-2015

It has been a great privilege for the III B.H.M.S. students along with the departmental faculty to have Visit to Kidney hospital, Rajkot. B. T. Savani hospital is very good hospital regarding different renal complaints. It has different treatment units like dialysis unit, pathology unit, radiology unit, etc.

There were good opportunity for the students to learn different surgical methods regarding renal diseases.
