

Report of Visit to Wockhardt hospital, Rajkot, on dated 20-1-18

It has been a great privilege for the IV B.H.M.S. students along with the departmental faculty to have visited Wockhardt hospital. Wockhardt hospital is a very good multispecialty hospital. It has different treatment units like neurology unit, pathology unit, radiology unit, etc. There were good opportunities for the students to learn different surgical methods regarding different diseases.
