On the occasion of world no tobacco day celebrated every year on 31st may, at Sainath Homoeopathic Hospital attached with Rajkot Homoeopathic Medical College, Parul University organized patient awareness program where hospital staff guided to patients about harm caused by tobacco, how to get de-addiction from tobacco and what is role of homoeopathy in tobacco de-addiction

World No Tobacco Day is observed around the world every year on 31 May. The annual observance informs the public on the dangers of using tobacco, the business practices of tobacco companies, what the World Health Organization (WHO) is doing to fight against the use of tobacco, and what people around the world can do to claim their right to health and healthy living and to protect future generations
