## Objectives:-

According to women and child development ministry, National Girl Child Day is meant to create awareness about the rights a girl owns and to give them opportunities like everyone else, and to support the girl child of the nation and remove gender-based biases.

It also calls for promoting awareness about the inequalities that a girl child faces and educate people about girl's education.

The main focus is on changing society's attitude towards girls, decrease female feticide and create awareness about the decreasing sex ratio, the ministry further said.

## History

The government of India, in 2008, declared January 24 to be celebrated as the National Girl Child Day every year with the objective of raising the consciousness of the society towards the girl child so that she can be valued and respected

The women and child development ministry listed a number of steps taken by the government in this regard, like:

- Save the Girl Child,
- Beti Bachao Beti Padhao,
- Sukanya Samriddhi Yojana
- CBSE Udaan Scheme
- Free or subsidized education for girl child,
- Reservation for women in colleges and universities
