College & Sainath Hospital,
RAJKOT - 360 002.

Session by Abishek Ranpara :-

Topic: "An insight to arthritis with comprehensive discussion on Rheumatoid arthritis"

He explained about allied part of arthritis specially Rheumatoid Arthritis and also about

- Type of arthritis
- Pathogenesis
- Extra-articular manifestation of RA

Session by Jinkal Solanki:

Topic: "Homoeopathic therapeutics and case presentation of Rheumatoid arthritis"

She mainly divided her topic into

- Homoeopathic management (therapeutics)
- Case presentation

SUMMARY

- We got insights on various joints diseases – allied aspect and on homoeopathic therapeutics as well.
- In the webinar, last part was of case discussion and from that we got the ideas regarding how to approach a psycho-somatic case. Overall, it was a good session.
