INTRODUCTION TO THE EVENT

PROGRAM

“The more you sweat on the training ground, the less you will bleed on the fire ground”.

This environment of creativity, innovation & service is carried out in the field of Homoeopathy through the medium of online education and on-field services to the people in the society.

“Rajkot Homoeopathic Medical College” provides a platform to teachers as well as the students who are helping society to find a path to purpose in one of the noblest aspects of teaching and giving practical help to the people who are having troubles in this difficult situation of “Pandemics – COVID-19”.

One such welfare act event was organized by “Sainath Homoeopathic Hospital” of Rajkot Homoeopathic Medical College affiliated by Parul University on “**6th February, 2021 – WOW Project Mega Camp under Saurashtra University**”.

On this day, a “**Free Camp for patients with services including Physio-therapy and Investigative services**” was arranged by “Sainath Homoeopathic Hospital” of “Rajkot Homoeopathic Medical College”.
