## **PARUL UNIVERSITY**

### **WOMEN'S DAY CELEBRATION 2021**

On 8<sup>TH</sup> of March our college had celebrated International Women's Day. It was held at our college auditorium. The programme started sharp at 8:15 a.m. with spiritual beginning by auspicious lamp lightening done by our respected principal Dr. Hitarth Mehta Sir, our honorable chief guest Dr. Alpesh Morjariya Sir, his wife Dr. Ajana Morjariya and our other faculty members. The lamp lightening was accompanied by soulful prayer by our students.

The event was started by a motivational speech by our Principal sir, then few glimpses were shared by our chief guest as he was the student of 1<sup>st</sup> batch of our college.

Everyone was dressed so pretty and the atmosphere was so positive and blissful.

There were many performances by all the students of different years:

- Speech
- Solo singing
- Group dance with singing
- Skit
- Display show of different state women
- Drama

- Energetic dance performances

All these were so inspiring and so soul touching with a very good intention to make know the power of a women, to know the strength of women, to know the ability of women. How women are suffering from social taboos although living in 21<sup>st</sup> century.

So at last the programme was ended by vote of thanks and National Anthem. It was my one of the memorable event in college and to capture it we all took so many pictures so carve it in our memory for life long.
