RAJKOT HOMEOPATHIC MEDICAL COLLEGE

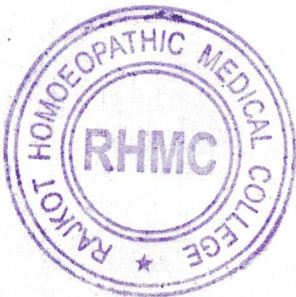

PARUL UNIVERSITY

The institute has a strict anti-ragging committee since 2017. Considering the determination of the Central Government and the University Grants Commission to prohibit, prevent and eliminate the scourge of ragging of any type and the gravity of the issue, the Institution had constituted the formal Anti-ragging Cell comprising of the Anti-ragging Committee and the Anti-ragging Squad way back in 2017-2018 in compliance with the UGC regulations on curbing the menace of ragging in higher educational institutions, the suggestive guidelines listed under Clauses 6.1, 6.2 and 6.3.

The Committee includes members (Principal, senior faculties, Interns and Students) from all the years representing all the Faculties as the Committee coordinator and administrative director as the committee in-charge.

The committee meets often and discusses about the events to be conducted for the maintenance of the ragging free environment in the campus plus creates regular orientation.

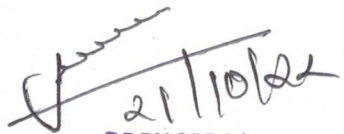

Committee and the Squad are reconstituted every year. The anti-ragging squad ensures the implementation of the preventive measure and undertakes field visits to ensure ragging free campus as well as there have been surveillance protocols printed and stuck all around the campus for preservation of the students.
