## SAINATH HOMOEOPATHIC HOSPITAL

## The campaign highlighted:

- √ The importance of breastfeeding as the foundation of lifelong health.
- ✓ Exclusive breastfeeding for the first six months to ensure optimal growth and immunity .
- $\checkmark$  The role of healthcare professionals  $\square$  in guiding and supporting mothers .
- ✓ Community awareness to break myths and encourage breastfeeding-friendly environments.

Through lectures, interactive sessions, and awareness drives, the event emphasized this year's global theme:

"Enabling Breastfeeding – Making a Difference for Working Parents."

This initiative reaffirmed our commitment to maternal and child health, empowering families with knowledge and support to nurture a healthier future.

'he event witnessed active participation from students, nterns, faculty, and staff, making it both educational and mpactful.

t served as a reminder of the critical role breastfeeding plays n laying the foundation for lifelong health and well-being.
