

Tuberculosis Awareness session Campaign

7th June, 2025
Saturday

In accordance World Food Safety Day in the association of National Tuberculosis Elimination Programme (NTEP) and as per the guidelines of the Ministry of AYUSH, National Commission for Homoeopathy, and the District Tuberculosis Center, Rajkot, an impactful Tuberculosis (TB) Awareness Campaign was organized by Sainath Homoeopathic Hospital, affiliated with Rajkot Homoeopathic Medical College, Parul University, on Saturday, 07th June 2025, at Gayatrinagar, Master Society, Bhaktinagar, Rajkot. This transformative initiative aimed to enlighten and empower students with in-depth knowledge about the causes, symptoms, preventive measures, and holistic management of Tuberculosis (TB). The session underscored the paramount importance of early diagnosis, adherence to proper treatment, and Fostering a compassionate, stigma-free environment for TB patients. The campaign served as an inspiring platform to elevate awareness and ignite collective determination to eradicate TB, embodying the powerful ethos of Together, we strive for a healthier future!"
