REPORT

Date& Time:	23 rd June, 2025 (1: 30P.M onwards)
Place:	Central Auditorium, RHMC
Arranged for :	Students of 2nd B.H.M.S
Number of Students attended:	90
Arranged by:	Department of Gynecology& Obstetrics, Rajkot Homoeopathic Medical College, Parul University.

OUTCOME:

The symposium “A Blooming Science: A Gynae Dialogue” concluded successfully, bringing together leading gynecologists, researchers, healthcare professionals, and students to engage in meaningful dialogue around advancements in gynecological science and women’s health. The event fostered a collaborative environment for knowledge exchange, innovation, and the promotion of patient-centered care. Participants left with renewed motivation to apply insights gained, advocate for evidence-based practices, and contribute to ongoing research and dialogue. The event laid a strong foundation for future symposiums focused on evolving trends in women’s health.
