

State Level Conference on Universal Health Coverage: Everyone, Everywhere

Parul Institute of Nursing organized STATE LEVEL CONFERENCE ON: UHC UNIVERSAL HEALTH COVERAGE: EVERYONE, EVERYWHERE on 27th April 2018. Universal health coverage is about ensuring all people can get quality health services, where and when they need them, without suffering financial hardship. UHC enables everyone to access the services that address the most important causes of disease and death and ensures that the quality of those services is good enough to improve the health of the people who receive them. The Conference provided an excellent platform for experts, academicians and students to exchange their views and opinions, which resulted in an extremely enriching experience and opportunity to learn for the attendees.
