

Visit to De Addiction Centre

Parul Institute of Nursing planned educational visit for 3rd year B.Sc. nursing students at De addiction centre, Kanoria, Gandhinagar for the fulfillment of practical requirements as per the curriculum. The visit was conducted on 17th February 2018 under the guidance of Mrs. Janki B. Patel, HOD of Dept. of Mental Health Nursing. The 3rd year B.Sc. nursing students had a great learning experience in the field. Mr. Tiwari oriented students with the infrastructure, administration and staffing pattern of their institute. They witnessed the patients with different substance abuse and even multiple substance abuse. They learned the routine procedures and protocols of de addiction centre. They acquired understanding of various therapies used in case of substance abuse. The importance of counseling was well identified by them after attending session by renowned psychologist over there. At the end, students took pledge to refrain their selves from any kind of substance in life. The visit fulfilled all prescribed objectives and proved fruitfull.
