Parul Institute of Pharmacy And Research
About Institute

Faculty of Pharmacy

The Faculty of Pharmacy endeavors to disseminate the knowledge and understanding of pharmacy, as a way of producing top-notch pharmacists, who are ready to attend to the various needs of the industry for the welfare of the people. All the constituent Institutes of Parul University which house the Faculty of Pharmacy are actively involved in research and consultancy in collaboration with various pharmaceutical industries to provide the much-needed industrial exposure while the students are still in pursuit of their various courses. With our state-of-the-art research facilities, we seek to provide the most extensive research in the field of pharmacy to produce the most impactful solutions, which are vital toward human welfare. The various experts and teachers also go on to provide a personalized learning experience to our students, which prepares them for their academic future careers in pharmacy.

Parul Institute of Pharmacy and Research

Parul Institute of Pharmacy and Research offers B.Pharm and M.Pharm programme. The institute is duly approved by AICTE & PCI and is and constituent college of Parul University, Vadodara. NAAC and NBA formerly accredited us. The institute is committed to promote the highest professional and ethical standards of Pharmacy, focus the image of pharmacists as competent health care professionals and support pharmaceutical education and science in all aspects.

Vision

To make successful academic quests through entrepreneurship, research, modernization and partnerships, thus making Parul Institute of Pharmacy and Research the finest educational destination.

Mission

• To set up an environment congenial for synergizing Academics, R & D, Technology and Industry, through training and exposure.
• To lead in innovative research in pharmaceutical, biomedical; and clinical sciences and practices.
• To inspire and motivate future pharmacists
• To promote entrepreneurship
• To facilitate international student and faculty exchange programme to enhance the diversity on the campus.
• To organize International and National conferences and structured workshops for the benefit of students and professionals.
• Development of human resources by skill up-gradation of students through specialized courses and training.
