Parul® Faculty University of Ayurved

KEY ACTIVITIES REPORT

KEY ACTIVITIES REPORT (JUNE/JULY-2021) PARUL INSTITUTE OF AYURVED AND PARUL INSTITUTE OF AYURVED & RESEARCH

On the other side of storm there is strength that comes from having navigated through it. Re-opening of Classes after Lockdown & second wave was tough but it has not weakened the enthusiasm and morale of students and faculties of Parul University. In the month of June-July faculty of Ayurveda organised many webinars, Health camps, Guest lectures, PhD synopsis presentations and many more from various departments, Online Competitions and a new initiative of podcast series "Ayurveda Talks" at PU which is done by various experts in the field of Ayurveda to help students and to impart the knowledge regarding the disease and its prevention and treatment to the society, ultimately for wellbeing of humans.

More than 15 webinars were conducted by PIA & PIAR on topics like Interpretation of LFT in Liver & other Systemic Disorders, Tropical ulcer and it's management with Leech therapy, Osteoporosis and it's different treatment modalities, Ayurvedic Perspective of Chronic Kidney Diseases, Intravenous fluid Therapy, Low back ache and its management, world environment day, Fundamental of Bio-informatics, Agni chikitsa lepa in RA, Research methodology workshop, Drug Abuse, Role of Paniya Kshara in oncology, Good clinical Practice, Deciding kriyakalpa dosage in clinical practice and many more for the benefit of students and knowledge seekers.

Without community service, we would not have a strong quality of life. It's important to the person who serves as well as the recipient. It's the way in which we ourselves grow and develop. In this Pandemic era it is very important to maintain Health, for that medical camps were conducted by Parul Ayurved Hospital and Khemdas Ayurved Hospital for wellbeing of public in rural area and more than 400 medicine kit were distributed In camp and to Police of Baroda city (one among frontline warriors) and this selfless good deed was c overed in various news channels and Newspapers.

Special camp for children were organised by Dept. of Kaumarbhritya PIA to improve immunity to fight 3rd wave of covid-19 in which children are at higher risk of infections.

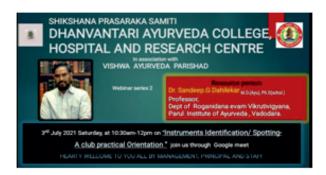

With this a Special Health Check Up Camp on Cardiac Diseases were organised by the Dept. of Kayachikitsa. Consultant:
