| 3) Associate Prof.  | Dr. Mariya Husain    | 3) Dr. Deepika Mehra     |
| 4) Associate Prof.  | Dr. Neha Gadgil      | 4) Dr. Jil Patel         |
| 5) Assist. Prof.    | Dr. Narendra Yadnik  | 5) Dr. Jaimin Shah       |
|                     |                      | 6) Dr. Pradeep Kumar     |
|                     |                      | 7) Dr. Gaurav Gairola    |
- 
10. Outcome-

Total Volunteers –	148
Normal –	62
Osteopenic -	54
Osteoporosis -	32

### 11. Remark-

B.M.D. Camp Organized in Department of Swasthavritta O.P.D. in Parul Ayurveda Hospital and inaugurated by Dr. H. S.VijayKumar by Lamp lightning by Dr. Hemant D. Toshikhane and Dr. Komal Patel.

#### ABOUT B.M.D. –

A measure of Bone density, reflecting the strength of bones as represented by Calcium content. The BMD test detects –

Osteopenia (mild Bone Loss, Usually without symptoms).

Osteoporosis (more severe bone loss, which may cause symptoms).

Others –

- Awareness about General Health related Problems.
- Early detection of bone related problems.
