Activity Details: Blood Donation Camp organized by Faculty of Ayurved-NSS Unit

Details about the activity:

Parul Institute of Ayurved, NSS Unit arranged blood donation week from 10th December to 16th December 2019. Donating blood is a vital way to save lives. Along with helping save lives there are a number of reasons why donating blood is important. A single donation can save three lives, one blood donation provides different blood components that can help us save three different people.

Outcome:

The Faculty of Ayurved, NSS unit organized and arranged the blood in which approximately 80 students and faculty members from faculty of ayurved donated blood which created an awareness among young minds regarding importance of blood donating and also the blood will help in savings life of the needful in critical times.
