Activity Details: Blood Stem Cell Donars Awareness Program at Parul University.

Details about the activity:

Parul University, NSS Unit, Faculty of Ayurved arranged the blood stem cell donor's awareness program on 18th December 2019. A blood stem cell transplant is the only hope of cure for thousands of patients with severe blood disorders. Blood cancer is curable! you can be the cure. Datri blood stem cell donor's registry organization came and gave presentation. Datri blood stem cell donors registry was founded in 2009 with a vision to find willing, genetically matched donors for patients of Indian origin suffering from fatal blood disorders. dhatri is india's largest registry with over 4,35,000 people registered as potential blood stem cell donors.

Outcome:

Faculty of Ayurved, Parul University NSS arranged the awareness program with the help of Datri foundation, from the foundation Jalpa Sukhanandi madam resented and elicited the importance of stem cell. Approximately 500 students of Ayurved (UG, PG, FACULTIES) attended the program and 60 students registered as blood stem cell donors
