

LEPROSY HOSPITAL VISIT 2016

As a part of CCIM curriculum, we 1 staff member & 22 students of the institution visited Shram Mandir Trust, Leprosy Hospital, Sindhrot on 08/12/2016.

We have seen all the dept. like OPD, IPD, disabled patients, Wards, Physiotherapy department, Laboratory, Pharmacy & the Rehabilitative activities like cottage industry, handicraft, Gaushala etc. It was a good memorable and knowledge delivering tour for all of us. The hospital staff showed all the wards and manufacturing units with due details. This will definitely prove helpful in our academic knowledge.
