

### LEPROSY HOSPITAL VISIT 2017

As a part of CCIM curriculum, we 2 staff memberS & 100 students of the institution visited Shram Mandir Trust, Leprosy Hospital, Sindhrot on 30/1/2017.

The consultant Doctor of the centre explained about leprosy, signs and symptoms, treatment etc to our students. Students visited the dept. like OPD, IPD, disabled patients, Wards, Physiotherapy department, Laboratory, Pharmacy & the Rehabilitative activities like cottage industry, handicraft, Gaushala etc. It was a good memorable and knowledge delivering tour for all of us. The hospital staff showed all the wards and manufacturing units with due details. This will definitely be helpful in improving the academic knowledge of the students.
