A BRIEF REPORT

On Drug tour conducted 13/10/2020

A drug tour was organized by department of Dravyaguna Vigyana on **13/10/2020** after getting due approval from the department. In this programme PG students were participated. Guidance was made by Dr. Rekha Parmar & Dr.Satej Banne & Dr. Sonesh Utkar, Associate professor, Department of Dravyaguna. Total 10 students of PG were participated.

Post graduate **Department of Dravyaguna of Parul Institute of Ayurveda** visited the **RMD Research and development Centre and forest area** of valasad for their research work. It was amazing to know the cultivation of plants which are very common, the moto of this cultivation was in such way that even layman can understand easily. RMD college staff and Local workers taught them uses of plants as home remedies and department taught them another new uses of medicinal plants in simple way.

Place: RMD college, Valsad, Gujarat

Total Species: 58
